This safety datasheet complies with the requirements of Regulation (EC) No. 1907/2006.

**Proper shipping name:** Toxic liquid, organic n.o.s. (Benfuracarb)

**UN-Number:** 2810

**Classification:**
- Acute Tox. 3
- Aquatic Acute
- Aquatic Chronic 1

**Toxicity:**
- Specific target organ toxicity - single exposure: Hepatotoxicity
- Effects on Embryo or Fetus: Fetotoxicity (except death, e.g., stunted fetus).
- Developmental Toxicity - rat
- Mutagenicity in-vitro
- Genotoxicity in-vivo - mouse
- Skin sensitization
- Respiratory or skin irritation
- Irritation to eyes

**Carcinogenicity:**
- IARC: No component of this product present at levels greater than or equal to 0.1% is identified as a probable, possible or confirmed human carcinogen by IARC.

**Molecular Formula:** C₂₀H₃₀N₂O₅S

**Physical and Chemical Properties:**
- 

**Hazards Identification:**

**First Aid Measures:**
- In case of contact with eyes: Rinse immediately with plenty of water for several minutes. Remove contact lenses, if present and easy to do so.
- In case of contact with skin: Remove contaminated clothing and shoes. Rinse skin with plenty of water.
- If inhaled: Remove victim to fresh air. If not breathing, give artificial respiration. Consult a physician.

**Precautions for Safe Storage:**

**Exposure Control/Personal Protection:**
- Choose body protection according to the amount and concentration of the dangerous substance at the workplace. Use personal protective equipment. Use respiratory protection which meets requirements of applicable standards such as NIOSH (US) or CEN (EU).
- Use appropriate gloves.

**Disposal:**
- Dispose of contents/container to an approved waste disposal plant.

**Other informations:**
- To the best of the information available this represents the data on file.
